Monologues of Universal Transverse Mercator – Egg Man, based on a novel winning a number of awards in Japan, which has been created into a magnificent 3D animation is about a serial killer who gets locked up in a cell where he meets another prisoner and finds out something mysterious is happening to them.

At TO Entertainment, our main business is to perform creator management and contents production, with our mission to incubate productions. We endeavour to increase the value of Japanese films, contents and creators in the international arena via our titles, with this in mind, we co-produce titles with international producers.
