**RE: “Egg Man” has been invited for screening at the Lucca Animation:  
International Animated Film Festival**

T.O Entertainment, based at Chiyoda-ku, Tokyo, Japan, with its CEO, Takeichi Honda is pleased to announce that 3D CGI Animated Film “Egg Man” has been invited for screening at the **Lucca Animation: International Animated Film Festival** (Lucca Animation / URL: <http://www.luccanimation.com/>).

Since 1967, Lucca has been home to the most important Italian exhibition dedicated to Cartooning. Today the festival, having undergone various transformations over the years, is known as Lucca Comics & Games. Lucca Animation aims to be a young, dynamic festival, with its finger on the pulse of all things contemporary in this field.

**Monologue of Universal Transverse Mercator: Egg Man**

<http://www.mercator.jp/>

This is a 3D CGI Animated Film directed by an up and coming creator, Kishi Kaisei based on the short story “Egg Man” in *Monologue of Universal Transverse Mercator*, which won the ‘Must Read Mysteries 2007 Japan’ award. This is about a serial killer, Egg Man, who is arrested and locked up in a cell where he receives a visit by Karen, a crime inspector who tries to identify whereabouts of missing bodies. Egg Man starts to realise something odd is happening to him and his next door prisoner. Its DVD has been released in Japan in January 2009.

Duration: 45 mins.

Director: Kishi Kaisei

Written by: Yumeaki Hirayama

At T.O Entertainment, we aim to perform creator management and contents production, with our mission to incubate productions.

We endeavour to increase the value of Japanese films, contents and creators in the international arena via our titles, with this in mind, we co-produce titles with international producers.
